

Göteborg Landvetter Airport extends planned maintenance work on the runway for 2019, UPDATE!

At the GACC phone conference the 20<sup>th</sup> and 21<sup>st</sup> of November 2018 following was decided:

Maintenance work will take place at night at GOT for 19 nights, starting the night between the 5<sup>th</sup> and 6<sup>th</sup> of May ending the night between 29<sup>th</sup> and 30<sup>th</sup> of May.

During this maintenance work the runway is closed between 20.00 - 03.59 UTC (22.00 – 05.59 local time) from Sunday evening to Friday morning.

During weekends the runway is open as normal, times in UTC:

- Friday the 10<sup>th</sup> of May at 04.00 to Sunday the 12<sup>th</sup> of May at 19.59
- Friday the 17<sup>th</sup> of May at 04.00 to Sunday the 19<sup>th</sup> of May at 19.59
- Friday the 24<sup>th</sup> of May at 04.00 to Sunday the 26<sup>th</sup> of May at 19.59

Please see **AIP SUP for planned maintenance work on RWY at GOT/ESGG** on below link. When planning flights, take into account that the time of closure 2000 UTC will be strictly monitored and this will also include delays in the day of operation.

Arrival or departure later than 2000 UTC will not be allowed.
